

## How to log into the Kampus platform

Go to <http://kampus.uw.edu.pl/> and click on “Log in” in the top right corner of the page.

On the new page choose „University of Warsaw students and employees”.

You will be redirected to “Centralny Serwer Uwierzytelniania” (Central Authentication Service). On the new page write your PESEL (identification number) and password which you use to log into USOS. Then click on “Zaloguj” (Log in).

You will get redirected automatically to the page <http://kampus.uw.edu.pl/>. You will see your name in the top right corner which means you have managed to log into the platform successfully.

Make sure your email address has been provided in USOS, otherwise you will not be able to log into the platform.
